Now - just the question. (After the break, we'll seek to respond to the question with feedback and hopefully buy-in.)

- **Question 1:** (endorse the concept) request mandate to endorse and share in the leadership of a DAWN-type Canadian National Initiative in Church Planting and Evangelism which we would establish today.
- **Question 2:** (personal involvement) request a "commitment to lead your organization in establishing appropriate church planting and evangelism goals towards the national goal"

?i.e. Ask each organization represented (using perhaps the process outlined in '13 steps') to endeavor to (have) set church planting goals (i.e. #new churches, #new attenders by xdate) for/by their organization by September 1, 1997 to share at a possible CNCPI gathering October 21-23 (Tues.-Thurs.), 1997 [which will culminate with tabulation, celebration, intercession, and communion.]
